

## Why Support Bowl For Kids' Sake?

1. Each match between a child and mentor cost roughly \$1,500. With over 1,000 children on a waiting list to be matched, every contribution helps in our efforts to eradicate this list.
2. A relationship between a Big and a Little can last a lifetime. Your support helps to make this relationship a possibility.
3. By contributing to a company's fundraising effort or by creating a team of your own, you are making a significant difference in the life of an Atlanta child.
